TEAM GUIDE

THIS IS THE **STATE OF HOCKEY.**

WALTER BUSH

1929-2016

Walter Bush, a legend of the sport of hockey in Minnesota and in the United States, passed away on Sept. 26, 2016. He was 86.

Bush served as president of USA Hockey for nearly two decades and was instrumental in bringing the National Hockey League to Minnesota when he helped found the North Stars.

A native of Minneapolis, Bush played high school hockey at Breck School then at Dartmouth College before returning home to attend the University of Minnesota law school.

Less than a decade later, Bush continued involvement in the game as an executive, first as one of the creators of the Central Hockey League in 1955, then as general manager of United States national hockey team.

He was an important voice in helping construct both the 1960 Olympic hockey team, known as "The Forgotten Miracle," and the 1980 "Miracle on Ice."

In between, his work with the Amateur Hockey Association of the United States and his efforts to bring professional hockey to Minnesota helped grow the game both locally and nationally.

Elected to the United States Hockey Hall of Fame in 1980 and the Hockey Hall of Fame in Toronto in 2000, Bush was also a driving force behind the addition of women's hockey as an Olympic sport, beginning with the 1998 Games in Nagano, Japan.

PAUL MORRISSEY SR.

1952-2016

The State of Hockey community lost an instrumental presence in Paul Morrissey Sr. on July 17, 2016, after a 16 month battle with pancreatic cancer. Best known through his time spent as the president of Capitol Beverage Sales, the local, family-owned Anheuser-Busch distributor in Fridley, MN. Paul also served as a proud founding member of the board of the Minnesota Wild Foundation since 2009 where he was able to express his passion for helping those around him and his community.

Originally from Boston, Mass., Paul exemplified his first love of hockey. He skated for Archbishop Williams High School until he graduated and then at Saint Anselm College .

After meeting and marrying his wife of 38 years, Kathy, the family relocated to St. Louis in 1979. He worked for Anheuser-Busch for almost two decades in various sales, marketing and executive roles while completing his MBA in Marketing at Saint Louis University. The Morrisseys moved to Minnesota in 1994, after Paul purchased Capitol Beverage Sales. Since then, he has instilled himself in the State of Hockey to give back to the community by sitting on the board of the Minnesota Wild Foundation, granting wishes of sick children through Wishes 'N More, facilitating scholarships for the children of fallen soldiers through the Folds of Honor Foundation and individually helping countless others. Paul gained the respect of everyone he came in contact with. Humble with his actions; humility in his words, compassion in his direction; Paul demonstrated what it meant to be a true leader.

Paul is survived by his parents, Florence and John; his sister, Janet and brother, Jamie; his wife, Kathy; children, Paul Jr., Jim and Kate; grandchild, Jaxson.

XCEL ENERGY CENTER

Xcel Energy Center hosted the first official Minnesota Wild hockey game with a 3-1 preseason win over Anaheim on September 29, 2000. The next night, Barenaked Ladies played the first official concert. In the ensuing 15 years, the arena has hosted 621 Minnesota Wild games, 1,230 concerts and events, and has received countless awards from ESPN, Sports Illustrated, Forbes, SportsBusiness Journal, VenuesToday and Pollstar for being one of the best venues worldwide for sporting events, concerts and family shows.

The facility is consistently striving to attract world-class events that generate significant economic impact for Saint Paul and the surrounding region. In addition to perennial favorites such as the Boys' and Girls' State High School Hockey and Wrestling Tournaments, the venue hosted the 2016 Prudential U.S. Figure Skating Championships, Big Ten Men's Ice Hockey Tournament, 2016 Division I Men's Ice Hockey West Regional, North Star College Cup, World's Toughest Rodeo and some of the best known musical artists in the touring industry.

Managed by Saint Paul Arena Company, the arena has made significant investments focused on the live event experience. 2014 marked the unveiling of the state-of-the-art scoreboard and HD/LED matrix displays. Technological enhancements include increasing the capacity and speed of Wi-Fi access with the installation of over 450 access points, plus Xcel Energy Center now has more than 500 screen monitors displaying game action in all concourses, restaurants and suites. Additionally, new seats were installed throughout the arena. Along with Saint Paul RiverCentre and The Legendary Roy Wilkins Auditorium, our campus continues its commitment to sustainability and recognition as a world leader in sustainable event management.

WILD FOUNDATION

MINNESOTA WILD FOUNDATION

THE MINNESOTA WILD FOUNDATION EXISTS TO SUPPORT THE GAME OF HOCKEY AND TO IMPROVE THE LIVES OF FAMILIES IN THE STATE OF HOCKEY.

Since its inception in 2000, the Minnesota Wild has invested more than 12 million dollars back into the community through direct giving, in-kind donations and service. Minnesota Wild players and front office staff are deeply committed to giving back to the community that has shown so much support for the team over the years. The Wild has provided autographed memorabilia and merchandise for local fundraisers and benefits, implemented successful events, provided awareness and brand connectivity for non-profit organizations and is the largest funding source for Minnesota Hockey.

The Minnesota Wild Foundation, established in 2009, has given the organization the means to fulfill its mission to support the game of hockey and improve the lives of families in the State of Hockey by funding programs that support these important goals. The Wild gives back by hosting fundraising events, facilitating initiatives such as game program sales and by providing funds for programs like Gear Up! Minnesota and the DinoMights Learn 2 Skate program. The Foundation also invites non-profit organizations that align with their mission to participate in the Split the Pot Raffle which is held during each Wild home game.

The Minnesota Wild and Minnesota Wild Foundation will continue to Create a Greater State of Hockey through their hard work and dedication to positively impact the lives of children and families across all corners of the state for many years to come.

TEAM IDENTITY

Minnesota Sports & Entertainment (MSE) was originally formed in 1997 by majority owner Bob Naegele, Jr., and a group of investors when they were awarded the rights to an expansion National Hockey League (NHL) franchise for the City of Saint Paul.

On June 25, 1997, the NHL officially approved expansion to 30 teams by the year 2000 with the announcement of new clubs in Atlanta, Columbus, Minnesota and Nashville. The Nashville Predators entered the League in 1998-99, the Atlanta Thrashers in 1999-2000. The Minnesota Wild and Columbus Blue Jackets began play in 2000-01.

On Jan. 22, 1998, Minnesota and hockey fans all over the world were introduced to the Minnesota Wild. During a historic ceremony at Maplewood, Minnesota's Aldrich Arena, the organization revealed the name which was chosen from thousands of suggestions offered by Minnesota hockey fans over a six-month period.

In front of a capacity crowd of hockey fans young and old, the logo was unveiled on the side of a large puck which descended from above at center ice. The mark depicted the word "Wild" designed in an organic, naturalist form and included the team's official colors of Iron Range Red, Forest Green, Harvest Gold and Minnesota Wheat.

"We think it [Wild] represents what Minnesota hockey fans hold most dear — our rugged natural wilderness, the premier brand of hockey that's native to Minnesota and the great enthusiasm of all our hockey fans," said Minnesota Wild CEO Jac Sperling.

The Wild continued to honor the history and naturalistic tradition of the state of Minnesota when it unveiled its sweater on Nov. 18, 1999. Again, the club turned to its hockey roots by holding a ceremony to reveal the sweater at the Roseville Skating Center in front of a sold-out crowd of season ticket deposit holders. The crest of the jersey, one of the most unique and striking marks in all of professional sports, is a Minnesota Wilderness pictogram including a wild animal, the North Star, evergreen trees, a red sky, the sun and/or moon and a stream. It now appears on the front of the road sweaters. The road jersey is white, trimmed in Iron Range Red, Harvest Gold and Forest Green. The numbering and lettering on the jersey is tri-color with an organic design, which also ties into the overall wilderness theme the club has established.

In 2003, the Wild unveiled a third sweater – now the team's home jersey – inspired by the heritage and tradition of hockey in Minnesota. The jersey incorporated the same colors found in the club's original home and road editions. The main color is Iron Range Red, with Forest Green stripes highlighted by Minnesota Wheat trim on the bottom band and shoulders of the jersey. The new crest featured the team's traditional animal head mark in a classic chenille icon with the team name, Minnesota Wild, offset by a Harvest Gold North Star on each side of the logo. The new sweater paid tribute to the heritage of hockey with a traditional lace-up collar in Minnesota Wheat. Also, in keeping with the simplicity of design and vintage look of the new jersey, no shoulder patches were created.

The Wild unveiled a new third jersey at the Minnesota State Fair's FAN Central building on Aug. 30, 2009. Based in the Wild's Forest Green with Wheat trim and a hint of Iron Range Red, the jersey's classic sports look was the overwhelming favorite of Wild fans surveyed during the summer of 2008. The jersey crest features a script "Minnesota" with "WILD" emblazoned below. The script look, including the classic "M", harkens back to historic Minnesota teams of the past including Minneapolis and Saint Paul teams of the 1930s and 1940s. The familiar "north star" element, borrowed from the primary Wild logo, dots the "I" and adds a decorative detail to the stylized "M".

The Wild unveiled a new white road jersey on Sept. 1, 2013, at a public event held at the Minnesota State Fair's FAN Central building.

The new road jersey follows the more classic design style of the red home jersey unveiled in 2003 and the green alternate jersey unveiled in 2009. The jersey keeps the primary Wild logo at the center of the sweater and features Iron Range Red numbers and collar, including Minnesota Wild text hidden on the inside of the collar. Additional features of the new jersey are Forest Green lettering, a traditional lace-up collar in classic Wild Forest Green and the Wild circle crest as a shoulder patch. The new road uniforms include Forest Green stripes on the arms and waist of the jersey, as well as on the new white socks.

The new road jersey design was led by the Wild's Creative Services team in partnership with Reebok and the NHL. The Wild used season ticket holder feedback throughout the 18-month design and prototype process.

DRAFT NOTES

- Of Minnesota's 123 total draft selections, 50 have played in the NHL and 45 have played in a regular-season Wild game.
- The Wild has selected a forward in the first round in 11 of its 17 drafts. Minnesota selected forward Luke Kunin with the 15th overall selection in the 2016 NHL Entry Draft. The Wild did not have a first round selection in the 2013 NHL Entry Draft for the only time in franchise history. Minnesota selected defenseman Jonas Brodin with the 10th overall selection and center Zack Phillips with the 28th overall selection in the 2011 NHL Entry Draft - the Wild's sole year with two first-round draft picks.
- Thirteen Wild draft selections skated in a game for Minnesota during the 2015-16 season. Three Wild draft picks made their NHL debut in 2015-16: Christoph Bertschy, Kurtis Gabriel and Gustav Olofsson.
- The Wild has selected 12 Minnesota natives in the NHL Entry Draft: Jack Sadek (Lakeville) in 2015, Avery Peterson (Grand Rapids) in 2013, John Draeger and Louis Nanne (Edina) in 2012. Previous selections include: Mario Lucia (Wayzata, 2011), Nick Seeler (Eden Prairie, 2011), Nick Leddy (Eden Prairie, 2009), Kyle Medvec (Apple Valley, 2006), Chris Hickey (St. Paul, 2006), A.J. Thelen (Savage, 2004), Michael Erickson (Elk River, 2002) and Jake Riddle (Minneapolis, 2001).
- The 2002 NHL Entry Draft was the first draft in which the Wild selected a goaltender as Josh Harding (second round, 38th overall) and Barry Brust (third round, 73rd overall) were chosen. Overall, Minnesota has selected 13 goalies in 17 drafts: Harding, Brust, Kopriva (2003), Khudobin (2004), Westblom (2005), Hovinen (2006), Hackett (2009), Kuemper (2009), Gustafsson (2010), Michalek (2011), Belanger (2013), Kahkonen (2014) and Stezka (2015).
- The 2015 NHL Entry Draft was the first and only time in franchise history Minnesota did not select a Canadian native, after selecting at least two in each of its previous 15 drafts. The 2015 draft also saw the Wild select a Russian-born player (F Kirill Kaprizov) for the first time in 10 drafts.
- During the 2013 NHL Entry Draft, Minnesota selected Dylan Labbe in the fourth round (107th overall) – he marked the 100th draft pick in franchise history.
- The Wild made a franchise-high 12 total selections in the 2004 Entry Draft and a franchise-low four total selections in the 2008 Entry Draft and 2016 Entry Draft.
- Minnesota has made 16 trades on draft day, including only two drafts in which the Wild didn't make any trades (2016 and 2012).
- The Minnesota Wild first participated in the NHL Expansion and NHL Entry Draft in Calgary on June 24-25, 2000.
- The Wild selected Marian Gaborik as its first-ever selection in the first round (third overall) of the 2000 NHL Entry Draft.
- Gaborik is the highest Wild draft selection and Jean-Michel Bolduc is the lowest draft selection, taken 281st (ninth round) in the 2003 draft.

SERIES NOTES

For the second straight series, the Minnesota Wild overcame a 3-games-to-1 deficit, this time defeating the Vancouver Canucks in a Western Conference Semifinal series, 4-3. The Wild became the first team in NHL history to come back from a 3-1 deficit twice in the same postseason and also became only the second club ever to win two Game 7's on the road in the same playoff year. The win also raised the team's record to 6-0 in its first six "elimination games". Minnesota outscored the Canucks 16-5 over the final three games of the series. Marian Gaborik led all scorers with five goals and 11 points (5-6=11) in seven games. Wes Walz tied for the team lead in goals with five and finished the seven-game series with nine points (5-4=9). Dwayne Roloson won Games 5, 6 and 7 and finished the series with a 4-1 record and only seven goals allowed in 130 shots faced. Minnesota battled back from a 2-0 second period hole to earn a 4-2 win over Vancouver in Game 7 at GM Place. Darby Hendrickson scored the game-winning goal with just under six minutes to play as the Wild earned its first-ever trip to the Western Conference Final. The two teams split the first two games of the series at GM Place with the Canucks winning Game 1, 4-3 in overtime, and the Wild capturing Game 2, 3-2. Vancouver seized control of the series with two road wins at Xcel Energy Center, including a 3-2 overtime victory in Game 4. Minnesota staved off elimination thanks to five second-period goals and a 7-2 road win in Game 5. The Wild scored five more goals in a 5-1 Game 6 victory at Xcel Energy Center. Gaborik posted his third consecutive multi-point game (0-2=2) and Andrew Brunette scored a pair of goals to set up another historic Game 7 showdown.

MEDIA POLICIES AND PROCEDURES

MEDIA RESOURCES

WILD.COM/PRESSBOX: The Minnesota Wild media website **www.wild.com/pressbox** provides media access to the latest team news including press releases, game notes, media clips, postgame notes, multimedia and game day statistics. Media can also use the site to request single-game credentials.

TWITTER: Follow **@mnwildPR** on Twitter to get the latest news and notes from the team including practice times, player interviews and other valuable media information from the official Wild Public Relations Twitter account.

MINNESOTA WILD WIRELESS INFORMATION:

Wireless access is available throughout Xcel Energy Center by connecting to the **XECwifi network**. No username or password is needed.

ACCESS: The Minnesota Wild organization and Communications department strives to make its players, coaches, management and other personnel available in a timely and responsible fashion to all accredited members of the media.

CREDENTIALS: Press seating at Wild home games at Xcel Energy Center is available to accredited media in the Al Shaver Press Box located on the south side of the Xcel Energy Center's press level. Single-game credentials must be requested by 12 p.m. the day before a game and by 12 p.m. on Friday for weekend games. Requests should be made by the media outlet's Sports Director/Editor by clicking on the REQUEST CREDENTIALS link located at **www.wild.com/pressbox**. Once approved, single-game credentials may be picked up 2.5 hours before game time at the Media Entrance located inside Gate 1, at the southeast entrance of the Xcel Energy Center on Kellogg Boulevard. The elevator to the pressroom and pressbox is located in the southwest corner of the Xcel Energy Center near Section 107. Due to limited press box seating, approved credential requests will be seated on an as-available basis. Those persons holding full-season Wild or NHL Team Management credentials MUST enter through Gate 1.

DAY-OF-GAME INTERVIEWS: After completion of the morning skate, which typically begins at approximately 10:30 a.m. (for a 7 p.m. start), is the best time to interview players and coaches on a game day. Following a practice, the Wild typically makes players available to media first followed by Head Coach Bruce Boudreau. Requests to interview a player upon his arrival to Xcel Energy Center for the game will be accommodated upon the player's approval and should be requested at the morning skate. If the team is not practicing, the request should be made to the Wild, or visiting team public relations department, no later than 10 a.m. on the day of game. The Wild Communications department cannot guarantee access to players or coaches if no practice is scheduled. Interviews that need advance preparation or special accommodation by a Wild player or staff member, such as live television and radio interviews should be made by contacting the Wild Communications department no later than 10 a.m. on the day of the game.

LOCKER ROOMS: NHL locker rooms close 90 minutes before game time. Requests for interviews to take place before the locker rooms are closed will be accommodated only upon prior approval by both the player and coach. The rooms will re-open five minutes after the game and remain open for 30 minutes. The officials' locker room is off limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Wild Communications department and a pool reporter may be assigned.

LOCKER ROOM GUIDELINES: The NHL prohibits media from using cell phones in locker room areas, including taking calls, photos and other cellular activity including Tweeting. **Cell phones can only be used by media to record audio (not video).** The Minnesota Wild asks media members to not step on the Wild logo located at the center of the locker room.

PHOTOGRAPHERS: Only those photographers on assignment will be allowed access to designated photography locations at rink level and in overhead positions. Xcel Energy Center workspaces are accessible to local dailies and wire service photographers. Two photography positions are reserved for Wild team photographers. Additional photography positions are determined on a first-come, first-served basis; however, in cases of increased photographer attendance, positions will be assigned by team photographer, Bruce Kluckhohn. In all cases, photographers should check in with Bruce Kluckhohn in the pressroom before the start of warm-ups. Because of very limited photography locations, it is not possible to accommodate freelance photographers.

PRESS DINING ROOM: Media possessing season credentials or those granted single-game credentials are invited to have a meal before each game in the press dining room, located on the lower level (Xcel Energy Center's south side). The Minnesota Wild charge media $13 to eat in the press dining room. The room opens two-and-one-half hours before game time. Dining room usage is limited to those presenting valid Wild credentials or NHL Team Management passes. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Refreshments are also available in the press box during the game.

TELEVISION COVERAGE: All television stations are prohibited by the National Hockey League from shooting and distributing game footage of any contest that is being broadcast from Xcel Energy Center by the Minnesota Wild, the visiting team or network television. Requests for special features and the like should be directed to the Wild Communications department.

MEDIA PARKING: The Wild Communications department will issue full-season parking cards to media expected to attend the majority of home games throughout the 2016-17 season. All other parking requests will be handled on a per-game basis and are subject to availability. Media parking is available in the RiverCentre Parking Ramp for **practices** and **game day skates** by showing a parking attendant your Minnesota Wild media credential and/or your company issued media identification. A Wild media credential and/or company issued media identification will **not** allow you access to the parking ramp for games. The ramp has two entrances: on Kellogg Boulevard and on Exchange Street, which can be accessed via Eagle Street (at the Kellogg and West Seventh intersection). To enter the arena, media should take the West elevator to Skyway Level and enter the arena at the skyway entrance to Gate 1. An alternate option is to cross Kellogg Blvd. and enter through the main entrance at Gate 1.
